LAFAYETTE PARISH

offers the essential elements needed to ensure the growth and development of its business community. Lafayette is set apart by its strategic location, a world-class workforce, a pro-business climate, and an unmatched quality of life. These attributes, complemented by a high-tech infrastructure and quality real estate, make Lafayette a unique place to live, work, play and do business.

Whether starting, expanding or relocating a business to Lafayette Parish, LEDA is the perfect starting point. Our mission is to provide assistance to local companies with their growth, market development, and workforce development efforts; to recruit additional companies considering locating in this area; and to assist in the development of new companies in order to strengthen and diversify the economy within Lafayette Parish.

STARTING

LEDA provides support services for businesses starting in the area, primarily with demographics and statistical information. After visiting with a counselor at the Acadiana Small Business Development Center on the UL Lafayette campus, we can assist in gathering information to develop your business plan.

EXPANDING

LEDA supports the existing business community by offering a variety of services to cultivate business growth throughout Lafayette Parish. This includes a business visitation program which allows your business to participate in a needs evaluation to determine which LEDA services are right for your business.

RELOCATING

LEDA actively markets Lafayette Parish to businesses around the country and the world. LEDA can assist in providing information on tax incentive opportunities and available commercial real estate buildings or sites.
